House Bill No. 5864

Introduced by 1BAP Party List Representative **SILVESTRE H. BELLO III**

EXPLANATORY NOTE

This bill seeks to convert the 7.2-kilometer Lakambini-Palca Provincial Road and the 9-kilometer Palca-Angang-Malummin-San Luis Municipal Road in the Municipality of Tuao, Cagayan into a National Road.

Traversing Tuao East from the newly constructed 360-meter Ninoy Aquino Bridge in Barangay San Luis, Tuao, Cagayan to the Pan-Philippine Highway (Maharlika Highway) in Lakambini, Tuao, Cagayan, the Lakambini-Palca-Angang-Malummin-San Luis stretch of Road is an indispensable component of the National Government's Road Network in the North connecting the provinces of Kalinga and Apayao to Cagayan and serves as an inter-regional link between Regions I, II and the Cordillera Administrative Region. This stretch of road is vital to boosting inter-regional socio-economic activities and maintaining peace and order in the area. Verily, the road's conversion into a National Road is the only viable solution to guaranty its improvement and maintenance.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
