

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Sixteenth Congress
Second Regular Session

HOUSE BILL NO. 5927

Introduced by **HON. ROGELIO NEIL P. ROQUE**

EXPLANATORY NOTE

This Bill seeks the subdivision of Barangay Poblacion in the City of Valencia into four separate and distinct barangays.

Barangay Poblacion has a population of 38,584, as per 2010 census. Considering the population density in the said barangay, the barangay officials therein is faced with great difficulty to fully implement their mandates and directives. For this reason, this representation believes that the subdivision thereof would result to a more efficient, effective and economical governance.

Considering the requisites of population and territorial jurisdiction under Republic Act No. 7160, as amended, otherwise known as "The Local Government Code of 1991" and its Implementing Rules and Regulation, the subdivision of Barangay Poblacion in the City of Valencia into four separate and distinct barangays is in order.

In view thereof, the passage of this bill is earnestly urged.
