House Bill No. **6000**

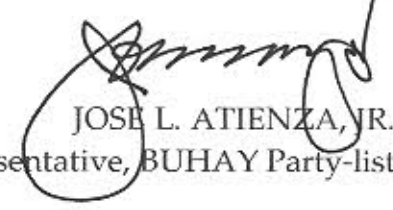

Introduced by: Representative Jose L. Atienza, Jr.

EXPLANATORY NOTE

The PHILIPPINE AMUSEMENT AND GAMING CORPORATION (PAGCOR) has with it a stigma of being used in ways that do not help the Filipino people. We have not heard of many projects that reach the people from especially the D and E classes of Philippine society.

This amendment aims to improve Section 12 to include an earmark of 30% percent a year that will directly go to socialized housing projects of the government, aimed at the poorest of the poor in the country. The current provision is too diffused, and the results are not felt by the Filipino people. This will make the results felt almost immediately through this earmark.

With the urgency of this goal, we aim for the approval of this Act.
