HOUSE BILL NO. 6157

Introduced by **HON. RENE L. RELAMPAGOS**
First District, Bohol

EXPLANATORY NOTE

This bill seeks to declare September 8 of every year as a Special Non-Working Day in the Municipality of Loon, province of Bohol, in celebration of the annual Sidlakasilak Festival otherwise known as the "Festival of Lights" which coincides with the Feast of Our Lady of Light.

Sidlakasilak Festival, a week-long festival of lights launched in the year 2000, culminates every 8th of September. The name "SidlaKasilak" was derived from the vernacular word "Sidlak" or light, which has multifarious meanings, like hope, inspiration, enlightenment, triumph, success, deliverance, among others, which also reflects the qualities of Boholanos who were able to withstand the test of time and, in particular, survived the devastation caused by the 2013 earthquake.

Sidlakasilak has become the most anticipated annual event among Loonanons and tourists alike, here and abroad. It aims to showcase Loon's rich cultural heritage and promote local tourism through socio-cultural programs; exhibits on arts, photographs, handicrafts, and other local products; talent competition; homecoming and reunions and competitions that involve lights, such as street dancing and other performances, lighting of houses and streets. In the past 15 years, this festival has seen to enhance active participation of the different sectors of society and strengthen sentimental bond among Loonanons.

In view of the foregoing, the immediate passage of this bill is sought.
