

Republic of the Philippines
House of Representatives
Quezon City, Metro Manila

SIXTEENTH CONGRESS
Third Regular Session

HOUSE BILL NO. 6169

Introduced by Representative Kimi S. Cojuangco

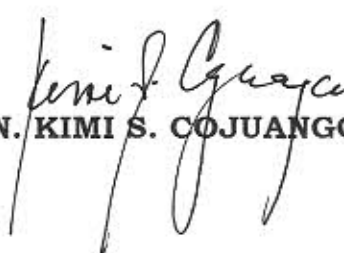

Explanatory Note

This proposed measure seeks to convert the Nancalobasaan Riverside Elementary School in Brgy. Nancalobasaan, City of Urdaneta, Province of Pangasinan into an integrated school to be known as the Nancalobasaan Riverside Integrated School.

Presently, the closest high school to the Nancalobasaan Riverside Elementary School is the Nancalobasaan National High School, which is around 4 kilometers away. For a lot of the school's graduates, the commute from their homes to the high school is not only difficult, but incurs additional costs which their families are not able afford. This situation is the reason why a large number of graduates from the Nancalobasaan Riverside Elementary School opt not to continue their education and those that do tend to drop out before completing their studies.

With easier access to an integrated school, students will be able to continue their education without an added financial burden to the family as well as not have to deal with a daily difficult commute. This will likewise decrease the number of students who drop out of high school.

It is for these reasons that the approval of this measure is earnestly sought.
