16th Congress
Third Regular Session

House Bill No. 6219

Introduced by HON. RODRIGO A. ABELLANOSA

EXPLANATORY NOTE

It is the policy of the State to promote peace and order, ensure public safety and further strengthen local government capability aimed towards the effective delivery of the basic services to the citizenry through the establishment of a highly efficient and competent police force that is national in scope and civilian in character.

Pursuant to this policy, it is necessary for the State to harness all available talents from all over the country. In this connection, we must make accessible the specialized education and training program provided by the Philippine National Academy to aspiring uniformed personnel.

It is a known fact that many of these aspirants come from far out reaches of the country and a good many of them come from unprivileged families. This bill seeks that a PNPA campus be established in every region of the country. Bringing the PNPA campuses closer to them increases their chances of obtaining the necessary training that will allow them to be among the best of our uniformed personnel.

In light of the foregoing, passage of this bill is earnestly sought
