HOUSE BILL NO. 6256

Introduced by Honorable Juan Pablo "Rimpy" P. Bondoc

EXPLANATORY NOTE

This bill seeks to convert the approximately 8 kilometer DOMALUIS Road (Sto. Domingo-Sta. Maria-Lourdes-San Isidro) in Minalin, Province of Pampanga into a National Road.

The DOMALUIS Road connects the Municipality of Minalin, Pampanga to three vital National Roads, namely: (a) the Apalit-Macabebe-Masantol National Road; (b) the Manila North Road (MacArthur Highway); and (c) the Sto. Tomas-Minalin Road. This road serves as the main thoroughfare to transport the goods of aquaculture farming communities and the poultry businesses in Minalin. While considered as vital infrastructure link, the road needs immediate repair and upgrade to prevent flooding. Thus, converting it into a national road is seen as the only viable solution to guaranty necessary funds for its maintenance and expansion so as to promote the socio-economic development area because Minalin, Pampanga is widely considered as the egg basket of Central Luzon.

In view of the foregoing, the approval of this bill is earnestly sought.
