HOUSE BILL NO. **6289**

**Introduced by Honorable Rep. Abdullah D. Dimaporo and Honorable Imelda
Quibranza-Dimaporo**

EXPLANATORY NOTE

This bill seeks to convert the local road from the junction of Lanao del Norte Interior Circumferential in Barangay Tambacon through Barangays Lemoncrete and Somiorang to Barangay Poblacion, all in the Municipality of Magsaysay, Province of Lanao del Norte into a national road. The aforesaid road shall be known as Magsaysay Circumferential Road.

The Municipality of Magsaysay serves as one of the watershed municipalities of Kapatagan Valley, where the growth center of the Province as identified by the National Economic and Development Authority is. The conversion of this road will improve the lives of the concerned communities of Magsaysay. These communities will have a more accessible road network for them to transport goods to the Kapatagan Valley Growth Center and other nearby areas.

The Municipality of Magsaysay is an MILF conflict area, its south-eastern part being inhabited mostly by Muslims and the north-western mostly by Christians. Development of Magsaysay will give prosperity to its people. A prosperous community will unite to fight any disturbance to its peace and order. This Bill will therefore help us unite the Muslims and Christians not only in Magsaysay but in the entire province of Lanao del Norte as well.

In view of the foregoing, passage of this Bill is earnestly sought.
