

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Sixteenth Congress
Third Regular Session

HOUSE BILL NO. 6448

Introduced by Honorable Romero S. Quimbo

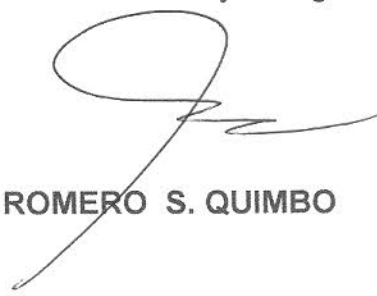

EXPLANATORY NOTE

The Laoag By-Pass Road is a national infrastructure project intended to decongest traffic and facilitate travel of goods and persons coming from and going to the north or south of the city as part of the ongoing road improvement projects nationwide. It is a dream project realized under the term of Representative Rodolfo C. Fariñas of the First District of Ilocos Norte as part of the congressman's numerous achievements.

On November 15, 2015, the son and namesake of the Representative, Rodolfo G. Fariñas, Jr. met a fatal vehicular accident along the Laoag By-Pass Road. It was an accident that cut short the life of a young but already known public servant who earned the distinction of being the youngest elected public official ever.

As a tribute to somebody who decided to be a public servant even at a young age following the footsteps of his well accomplished father, it is only fitting that a major road be named in his honor.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
