HOUSE BILL NO. **2592**

Introduced by

HON. GUS S. TAMBUNTING

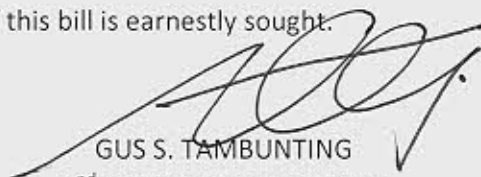

EXPLANATORY NOTE

The privilege to own a driver's license is one of the tedious procedures that our citizen undertakes. Notwithstanding the examination in written and actual driving skills, the rigors of getting a license is going to the Land Transportation Office.

However, due to distance and the time it takes to actually get hold of the driver's license card, it almost takes a whole day just for this process. Thus, satellite offices had been established by the LTO to cater the qualified citizens within their respective areas. Nonetheless, these satellite offices do not usually assure that they will permanently be placed nearby for the convenience of our constituents.

In this regard, the conversion of the satellite office of the LTO to a district office in Paranaque City will ensure the continuity of the convenience that had been brought to our constituents. Hence, this measure seeks to convert the satellite office of LTO in Paranaque City to a District Office in the 2nd District of Paranaque City.

Thus, the passage of this bill is earnestly sought.
