EXPLANATORY NOTE

It is widely acknowledged that cooperatives play a crucial role in agrarian reform and rural development. The Land Bank of the Philippines (LBP), which was originally created to support the agrarian reform program, has recognized this and has given prime importance to cooperatives in its effort to support agrarian reform and rural development.

However, while the New Cooperative Code of the Philippines (RA 9520) has a chapter containing special provisions relating to agrarian reform cooperatives (Chapter XI), Republic Act No. 3844, otherwise known as the "Code of Agrarian Reform in the Philippines" as amended by R.A. No. 7907, does not ensure the representation of cooperatives in the Board of the LBP. Instead, Section 86 of the said law only provides that the President of the Philippines shall appoint two (2) representatives of the private sector of the Board of the Land Bank.

This deprives the cooperative sector of the chance to ensure that their voice will be heard in the highest policy-making body of the Land Bank and also prevents the LBP from fully tapping the rich experience of the cooperative movement.

This bill seeks to remedy this situation by providing for the representation of cooperatives in the Board of the LBP.

In view of the foregoing, the approval of this bill is earnestly sought.
