SEVENTEENTH CONGRESS
First Regular Session

House Bill No. **746**

Introduced by **DIWA Party-list Representative Emmeline Y. Aglipay – Villar**

EXPLANATORY NOTE

Section 9, Article II of the Philippine Constitution states that, “The State shall promote a just and dynamic social order that will ensure the prosperity and independence of the nation and free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all”.

Senior citizens and persons with disability (PWDs) are marginalized sectors of our society. They have lower income levels compared to other sectors. Current labor standards on wages, which are already below the acceptable “living” wage, further places senior citizens and PWDs at a disadvantage decreasing their chances of having a decent life.

As a means of empowering PWDs and senior citizens, this bill, which is a re-filing of House Bill No. 6250 filed by Rep. Alfredo D. Vargas, III during the 16th Congress, mandates local government units to allocate 1% of their internal revenue allotment for the improvement of the quality of life of members from these vulnerable sectors. By doing so, the promotion of a prosperous and happy life becomes more accessible to PWDs and senior citizens.
