HOUSE BILL NO. 3957

Introduced by Representative **WES GATCHALIAN**

EXPLANATORY NOTE

This bill seeks to convert the city road of the Lingunan to Lawang Bato city road in Valenzuela City, Metro Manila into a National Road.

The existing roadway is heavily traversed by motorists from local residents and those from nearby municipalities and because of such continuous use, necessary maintenance of the said road is hardly ever undertaken by the city government. Its condition worsens when it is the rainy season. Our concern is mainly for the safety and convenience of our constituents who ply the routes of their daily duties.

It is in this light that the early approval of this bill is earnestly sought.
