HOUSE BILL NO. 4409

Introduced by **REP. ELEANOR C. BULUT-BEGTANG**

EXPLANATORY NOTE

This Bill seeks to convert the Buluan-Banban-Daga-Puguin-Sacpil Road in the Province of Apayao into a national road.

This Provincial Road links the Province of Apayao to the Province of Kalinga, and thereafter the Province of Abra. It is a 25.5 kilometer road reckoning at a junction of Abbut-Conner national road at Barangay Buluan of Conner, Apayao and passes through barangays Banban-Daga-Puguin-Sacpil all of Conner, Apayao then exits to Barangay Taggay of the Municipality of Pinukpuk, Province of Kalinga. The road provides the shortest access between the Municipality of Kabugao and the City of Tabuk which are the provincial capitals of Apayao and Kalinga Provinces respectively.

Buluan-Banban-Daga-Puguin-Sacpil provincial road is an all-weather road which provides access to key economic activities such as agriculture, trade, tourism and local industries. It serves large productive lands planted with rice, corn and high value crops like lanzones and rambutan. Transport of goods and people between Apayao, Kalinga and Cagayan has seen marked growth in the past years due to the improvements on the road undertaken by the Provincial Government of Apayao. More than 3 kilometers of the road has been upgraded to meet national road standards. The cost of maintaining the said road however requires more funds which the Provincial Government cannot provide given its meager sources.

With the proposed road conversion, the DPWH will realize one of its priority goals in building connectivity towards regional integration, in this case an East-West Lateral route connecting Apayao, Kalinga and Abra as well as Ilocos and Cagayan on both ends. The conversion will likewise directly impact on economic activities with the improved access to productive agricultural lands, commerce and trade between Provinces, and travel and tourism.

The approval of this Bill is thus earnestly sought.
