

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

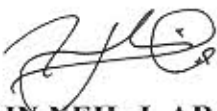

SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4424

Introduced by Representative Harlin Neil J. Abayon III

EXPLANATORY NOTE

This bill will allow us to establish a centralized effort to study the effects of flooding and how best to prepare and respond to each flood-related catastrophe. Hence, the approval of this initiative is earnestly sought.

HARLIN NEIL J. ABAYON III
Representative
AANGAT TAYO Party-list

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4424

Introduced by Representative Harlin Neil J. Abayon III

AN ACT
TO ESTABLISH A NATIONAL FLOOD RESEARCH AND EDUCATION
CONSORTIUM TO PLAN, COORDINATE, CONDUCT, AND SHARE RESEARCH ON
FLOODING, FLOOD PREVENTION, AND OTHER FLOOD-RELATED ISSUES, AND
FOR OTHER PURPOSES.

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. Short Title – This Act shall be known as National Flood Research and Education Act.

SECTION 2. Establishment – There is hereby established within the National Disaster Risk Reduction and Management Council (NDRRMC) an Office of Flood Research and Policy (OFRP) which shall be headed by a Director.

SECTION 3. Duties – The Director of the OFRP shall –

- (A) Make recommendations and identify best practices for predicting, preventing, and minimizing flooding and its effects in accordance with Section 4;
- (B) Submit to Congress an annual report in accordance with subsection (d); and
- (C) Establish and maintain a page on the public NDRRMC website in accordance with subsection (e)

SECTION 4. Best practices – The Director, in consultation with the NDRRMC, taking into consideration the regional differences in hydrology, weather, geography, economy, and population density across the country, shall develop recommendations and identify best practices for predicting, preventing, and minimizing flooding and its effects, including-

- (A) Risk-assessment tools, methods and models;
- (B) Strategies and techniques for monitoring and predicting Flooding;
- (C) Strategies and techniques for flood management and prevention;
- (D) The adoption and use of relevant technologies;
- (E) National, regional, and local Flood policies; and
- (F) Coordination and cooperation among local, national flood-related efforts.

SECTION 5. Report. – The Director shall submit to Congress an annual report on the activities of the Office and the Consortium. The OFRP shall establish and maintain a page within the public NDRRMC website in which it shall publish recommendations and best practices

described in Section 4 and the annual report as provided in this Section. The OFRP shall also provide the local government units (LGUs) versions of the report which particularly applies to them.

SECTION 6. Grants to Institutions of Higher Education. – To aid the Director in performing his functions, the OFRP may extend research grants to institutions of higher education who are capable of conducting research on flooding, flood prevention and other related issues. The OFRP shall ensure that the said grants are used for their designated purpose.

SECTION 7. Repealing Clause. – All laws, decrees, orders, rules and regulations or parts thereof inconsistent with the provisions of this Act are hereby repealed, amended or modified accordingly.

SECTION 8. Separability Clause. – If, for any reason, any provision of this Act is declared to be unconstitutional or invalid, the other sections or provisions hereof which are not affected thereby shall continue to be in full force and effect.

SECTION 9. Effectivity Clause. – This Act shall take effect after fifteen (15) days following its publication in the Official Gazette or in two (2) newspapers of general circulation.

Approved,
