SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. **4613**

Introduced by HON. JOSEPHINE Y. RAMIREZ SATO

EXPLANATORY NOTE

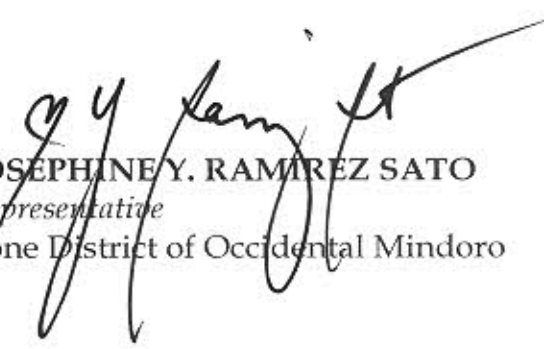

The Republic Act no. 7160, otherwise known as The Local Government Code of 1991, as amended, was constituted to bring about local autonomy by establishing a more responsive and accountable local government. The whole system is geared towards empowering LGUs to achieve self-reliance and as effective partner in attaining the national goal for development.

As the basic political unity, the barangays serves as the lead planning and implementation arm of the government. Creation of such upon proper compliance with the requirements of the Constitution and Local Government Code will enable the local governments to efficiently and effectively perform their respective responsibility and functions as an autonomous unit.

The geographic location and topography of the Sitios Amatang, Sto. Tomas, Guiginto, Balagnan, Iba, and Aagsigang to the main Barangay make it hard for the basic government services and security to reach the populace living in these areas. The creation of Barangay Sta. Maria is a result of people's desire to make growth, development, and services apt to the needs of the people.

This bill has been filed pursuant to the Provincial Resolution No. 124, Series of 2013 and the ratification of the Plebiscite Board of Canvassers with C.E.F. No. 26, all in support to the creation of Brgy. Sta. Maria is a proof of unified decision of the people, and compliance to government requirements making this possible.

In view of the foregoing, approval of this bill is earnestly sought.
