HOUSE BILL NO. 4624

Introduced by Honorable Erico Aristotle C. Aumentado

EXPLANATORY NOTE

This bill seeks to increase the bed capacity of Don Emilio Del Valle Memorial Hospital (DEDVMH) in Ubay, Bohol from fifty (50) to two hundred (200) beds.

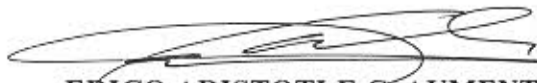

Article II of the Philippine Constitution provides that:

“Sec. 11. The State shall adapt an integrated and comprehensive approach to health development which shall endeavour to make essential goods, health and other social services available to the people at affordable cost. There shall be priority for the needs of the underprivileged, sick, elderly, disabled, women and children, the state shall endeavour to provide free medical care to paupers.

The Don Emilio Del Valle Memorial Hospital is a government hospital with 50-bed capacity which was established under R.A. No. 8693. It has been in existence for 12 years and has achieved great accomplishment in terms of infrastructure projects, procurement of hospital facilities, training and development of medical officers and personnel. DEDVMH is an ISO 9001:2008 accredited for its quality management system.

DEDVMH withstood its loyalty in providing a healthy environment not only to the people of Bohol but also to the entire region. In fact, in the past few years, it has been admitting patients beyond its bed capacity. At present, it serves around 70 patients a day. Hence, to further enhance its capacity of promoting public health and to cater to medical assistance to indigent patients, there is a need to increase its bed capacity from 50 to 200.

In view of the foregoing, approval of this measure is earnestly sought.
