

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Seventeenth Congress
First Regular Session

House Bill No. 4717

Introduced by Representative Arnel M. Cerafica

EXPLANATORY NOTE

P. Rosales St., is a Local Road in the bustling and progressive Municipality of Pateros. To date, it is connected with major roads, connecting it with the rest of the cities within the Metro Manila. It serves as a via duct for the transport of persons, goods, and services to and from its adjoining areas and beyond them.

The conversion of said road into a National Road will compliment the surge of development in this Municipality. The road's current state, tagged together with its current use, clearly show that its upgrade and maintenance is much needed to be addressed by the Government.

The Funds of the Local Government are currently appropriated for other priority projects which are as equally important as the improvement of this Road. Their priority projects address the other concerns relating to the effects of a growing population.

As such, it is imperative, this Road be converted into a National Road to compliment the development of this Municipality.

Approval of this bill is earnestly sought.

HON. ARNEL M. CERAFICA
