HOUSE BILL No. 4772

Introduced by HON. MANUEL F. ZUBIRI

EXPLANATORY NOTE

This bill proposes to establish a Technical Education and Skills Development Authority (TESDA) Training Center in the Municipality of Dangcagan, Bukidnon. Dangcagan is one of our three poorest municipalities, aside from Kitaotao and Kadingilan. To uplift their economic status and to spur economic growth in the district, TESDA centers are the best way to provide our constituents the skills to generate their own income and hopefully permit them to be self-sustaining.

This term, priority is on livelihood, creating avenues therefor and equipping our constituents with enough economic and social capital to enable them to become self-reliant, enterprising, and productive. One step toward realizing the dream of a robust and inclusive economy in Bukidnon is adopting policies that will allow our constituents to comply with employment standards to empower them to get jobs that pay living wages.

In view of the foregoing, approval of this bill is earnestly sought.
