

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila
SEVENTEENTH CONGRESS
FIRST REGULAR SESSION
4918
HOUSE BILL NO. _____

Introduced by **Honorable Oscar "Richard" S. Garin, Jr.**
1st District, Iloilo

"AN ACT CONVERTING THE ROAD STRETCHING FROM BARANGAY IGTUBA, MUNICIPALITY OF MIAGAO TO BARANGAY IGTALONGON, MUNICIPALITY OF IGBARAS, ALL OF THE PROVINCE OF ILOILO INTO A NATIONAL ROAD AND APPROPRIATING FUNDS THEREFOR"

EXPLANATORY NOTE

The road section covered by this bill is the Igtuba-San Jose-Bagay-Igtalongon Road which serve as an alternative route between the municipalities of Miagao and Igbaras in the Province of Iloilo. This is a 22.6-kilometer barangay road that traverses from the national highway at Brgy. Igtuba, Miagao, Iloilo, passing through twelve (12) barangays of Miagao continues into Brgy. Bagay in the Municipality of Igbaras thence through the Barangays of Lab-on, Corucuan and Igtalongon of the same Municipality.

This road section is intended to connect the gap portion of two adjoining national roads, i. e., Iloilo-Igbaras National Road and Iloilo-Antique National Road, to form continuous road network. It is a significant commercial artery as it connects the towns Miagao and Igbaras, Iloilo as well as the barangays therein, all of which produce considerable quantities of agricultural products and farm animals. The Municipality of Miagao is a 1st class municipality with a population of about 65,000 per 2010 census. It is the site of the University of the Philippines in the Visayas (UPV). Igbaras is a 4th class municipality with a population of 31,347 per 2010 census. Both municipalities possess an immense potential in agriculture, trade and commerce, thus, a reliable road system to reach their full potential can go a long way. Upgrading and constant maintenance of this road section will invariably engender increased agricultural activity productivity, thus invigorating trade and commerce, considering that producers will have access to an all-weather road

network, thereby enabling them to conduct trade and commerce not only in the nearby municipalities but also in the Province of Antique and Boracay Island.

This proposed measure is also premised on the plenary power of the Congress of the Republic of the Philippines as enshrined in Section 1, Article VI of the 1987 Constitution of the Philippines, thus:

“Section 1. The legislative power shall be vested in the Congress of the Philippines which shall consist of a Senate and a House of Representatives, except to the extent reserved to the people by the provision on initiative and referendum.”

Broadly stated, the power Congress to legislate is all-encompassing, limited only by our constitution. It appearing that there is no constitutional impediment attending herein, the proponent respectfully prays that this proposed legislation be given due consideration.

OSCAR "RICHARD" S. GARIN, JR.
