EXPLANATORY NOTE

This bill seeks to fulfill the vision of the Technical Education and Skills Development Authority (TESDA) in the development of the Filipino workforce with world-class competence and positive work values whether for deployment locally or abroad.

Also, this bill pursues the creation of TESDA Skills and Training and Accreditation Centers in San Jose City and Science City of Muñoz and in the municipality of Rizal, all in the Second District of Nueva Ecija.

The creation of the TESDA Center in San Jose City will cater to its 38 barangays, the one in the Science City of Muñoz will serve its 37 barangays while the TESDA Center in the municipality of Rizal will attend to its 26 barangays.

This will directly benefit the morale of the constituency in our district in general as well as its nearby municipalities by way of possible employment and livelihood opportunities meant to further improve their quality of life.

Accordingly, approval of this proposed measure, is strongly recommended.
