HOUSE BILL NO. 4953

Introduced by **HON. ELISA T. KHO**

EXPLANATORY NOTE

This bill seeks to convert the Barangay Tagpu – Alas – San Juan Road in the Municipality of Mandaon, Province of Masbate into a National Secondary Road.

The road is a very important link from the Municipality of Mandaon to the Municipality of Balud and traverses several barangays and leads to important trade routes. The said road is likewise a viable alternate route from Mandaon to the City of Masbate and considering that it is actually the shortest route going to the city. But because of frequent inadequacy of funds, its upgrading, rehabilitation and yearly maintenance by the local government have become taxing and challenging as it would always drain the LGUs annual appropriations.

There is therefore an urgent need to convert the said local road into a national secondary road in order to improve its upkeep considering that it is a vital route and also for it to be properly maintained by the national government for the benefit of our constituents.

Passage of this bill is therefore prayed.
