

Republic of the Philippines

SEVENTEENTH CONGRESS
First Regular Session
House Bill no. **4970**

Introduced by Representative Wes Gatchalian

EXPLANATORY NOTE

This bill seeks to convert the city road of the San Simon Road, Dalandanan, in the City of Valenzuela, Metro Manila into a national road.

The existing roadway is heavily traversed by motorists from local residents and those from nearby municipalities. In our collective desire to provide for the safety and convenience of our constituents who ply this route, it is submitted that as to the maintenance of this road, the national government is better equipped to handle. Conversion of this road into a national road would also allow its development to be in line with the national infrastructure plan which as it stands is highly crucial in resolving the traffic crisis that is plaguing Metro Manila.

It is in this light that the early approval of this bill is earnestly sought.
