**HOUSE BILL NO. 5012**

**Introduced by: HON. JOSE ANTONIO R. SY-ALVARADO**

**EXPLANATORY NOTE**

The road stretching from the Barangays of Sta. Cruz in the Municipality of Guiguinto to the Barangays of Tikay, San Pablo, Sta. Isabel, Mabolo, Caniogan, San Vicente and Sto. Nino in the City of Malolos in the Province of Bulacan is a vital road for vehicular transport that provides motorist an alternative route connecting the municipality of Guiguinto and the City of Malolos. Its function is essentially a national road since it caters to the same traffic as that of the national road.

However, maintenance and improvement of the said road is currently being shouldered by the two different local governments and constitutes a significant drain to the limited resources. Converting it into a national road will free the local governments of some finances that could fund the maintenance and improvement of other vital roads.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
