HOUSE BILL NO. 5013

Introduced by: HON. JOSE ANTONIO R. SY-ALVARADO

EXPLANATORY NOTE

The road stretching from the Barangays of San Sebastian, San Nicolas, Sto. Rosario, Mercado and San Jose in the Municipality of Hagonoy in the Province of Bulacan is a vital road for vehicular transport that provides motorist an alternative route to avoid the central business district. Its function is essentially a national road since it caters to the same traffic as that of the national road.

However, maintenance and improvement of the said road is currently being shouldered by the local government and constitutes a significant drain to the limited resources of the Municipality of Hagonoy. Converting it into a national road will free the local government of some finances that could fund the maintenance and improvement of vital roads.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
