House Bill No. 5099

Introduced by Representative Estrellita B. Suansing

EXPLANATORY NOTE

This bill seeks to establish a Land Transportation Satellite Office in the Municipality of Guimba, Province of Nueva Ecija.

The Land Transportation Office is a vital government agency tasked with the promotion of safety and public service in land transportation throughout the country. It provides a rationalized system of motor vehicle registration, license issuance, law enforcement, adjudication of traffic cases and collection of revenue for the government.

Presently, the Land Transportation Offices are located in the cities of the Province of Nueva Ecija, namely: Cabanatuan City, Palayan City, Gapan City, and San Jose City; while one is also located in the Municipality of Santo Domingo, establishing a satellite office in the Municipality of Guimba will be most beneficial for the residents of the First District of Nueva Ecija since the town is located centrally within the district.

In view of the foregoing, the approval of this bill is earnestly sought.
