HOUSE BILL NO. **5192**

INTRODUCED BY REPRESENTATIVE ISAGANI S. AMATONG

3rd District, Zamboanga del Norte

EXPLANATORY NOTE

Sec. 1, Art. XIV, 1987 Constitution provides that: ***“The state shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.”***

This bill seeks to anchor on this constitutional policy as an explicit expression of the state to provide quality education accessible to all. The mandate requires government to firm up its stand on education. In fact, this guarantee makes the Department of Education receive the highest budget priority in our government’s annual appropriation.

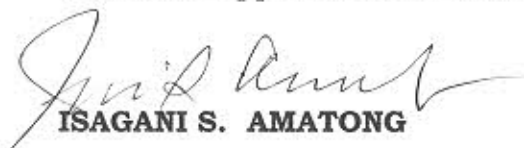

Education is an important mechanism of our people to liberate themselves from the bondage of ignorance, poverty and counter insurgency problems. It remains a good equalizer among people whatever its status in life.

Barangay Pianon is in a remote rural area of the 3rd District of Zamboanga del Norte under the fourth class municipality of Kalawit. The community mainly relies on agriculture as its basic source of income, and its impoverished constituents greatly aspire on education as a leverage to achieve success in life.

Through the initiative of the local leaders, stakeholders and local government unit of Kalawit, the Kalawit National High School-Pianon Annex was established. The students are from far-flung barangays who used to trek bumpy roads daily just to attend classes. Based on DepEd statistics, the enrolment for SY 2016-2017 has reached 288 and steadily growing.

With the introduction of the K-12 program of the DepEd, an anticipated increase in classroom and teacher shortage will be experienced. However, the establishment of an independent National High School in Pianon, Kalawit, Zamboanga del Norte will help resolve the pressing demands of accessible quality education and the classroom-to-teacher-to-student shortage ratio in the area.

Hence, the approval of this bill is earnestly sought.
