

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
First Regular Session

House Bill No. **5466**

Introduced by **MAGDALO Party-List Representative**
HON. GARY C. ALEJANO

EXPLANATORY NOTE

The Philippine Archipelago is one of the largest archipelagos in the world. It is composed of 7,107 islands and a coastline that stretches around 20,000 kilometers. It is no surprise that most of our people rely much on the bounties of the seas and the coastlines for their survival.

Article 12, Section 2 of the 1987 Constitution mandates that, "the State shall protect the nation's marine wealth." However, even with the said clause in the Constitution, our marine resources weren't spared from the damages and destructions brought about by our activities. These damages and destructions, in turn, threaten the resources that provide our countrymen food and source of living.

This bill prescribes every second Saturday of September as "National Coastal Clean-Up Day" to heighten the consciousness of our countrymen on the importance of preserving our marine resources thru programs and activities that would promote prevention of water pollution.

In view of the foregoing, immediate approval of this measure is earnestly sought.

GARY C. ALEJANO
