HOUSE BILL NO. 5598

Introduced by Honorable Luisa Lloren Cuaresma

EXPLANATORY NOTE

This bill seeks to establish a National High School in Barangay Pinayag, Municipality of Kayapa, Province of Nueva Vizcaya to be known as "Pinayag National High School"

Barangay Pinayag has a high percentage of its population composed of school-age children. For the longest time students have to go by foot for 8 hours of bumpy, rocky and mountainous roads to be able to reach Nansiakan National High School situated in the Municipality of Kayapa. Relative to the remoteness of the barangay other elementary graduates were forced to quit school.

Establishment of a national high school in Barangay Pinayag has been a longtime dream of the parents of the locality including those in barangays and sitios nearby and it is the best solution to the economic, security, and academic problems involving their school children.

In line with the state policy to protect and promote the right of all citizens to quality education at all levels and to take appropriate steps to make such education accessible to all, approval of this bill is earnestly recommended.
