

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 5604

Introduced by Rep. Winston "Winnie" Castelo

EXPLANATORY NOTE

Section 9 of Article II of the Philippine Constitution provides for the State's promotion of a just and dynamic order that will ensure the prosperity and independence of the nation and free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all.

Solo parents are among the most underprivileged and disadvantaged sectors of the society on account of their societal condition. It behooves the government to institute dynamic and proactive measures to ensure their welfare. By granting them discount benefits, their disadvantaged condition is mitigated and their morale is uplifted.

The government should automatize and condition the society toward a kinder and more courteous treatment of these members of the society. This is in line with universal ethical wisdom.

The immediate passage of this proposed measure is highly recommended.
