17th Congress
First Regular Session

HOUSE BILL NO. 5739

Introduced by HON. ROGELIO NEIL P. ROQUE

EXPLANATORY NOTE

This bill seeks to convert the existing San Isidro High School in the City of Valencia, Province of Bukidnon into San Isidro National High School.

At present San Isidro High School obtains its funding for operation from the Local Government Unit of Valencia City. In order for the school to function effectively and efficiently, a regular source of funds every school year must be available. It can be realized through its conversion into a National High School so that funding will be regularly included in the Annual General Appropriations Act.

The creation of the proposed San Isidro National High School is in consonance with the State's constitutional duty to protect and promote the right of all citizens to quality education at all levels and to take appropriate steps to make education accessible to all.

During the 16th Congress, this bill was filed (HB 5395). This bill is therefore refiled for the consideration of this Congress.
