SEVENTEENTH CONGRESS  
FIRST REGULAR SESSION

House Bill No. **5764**

---

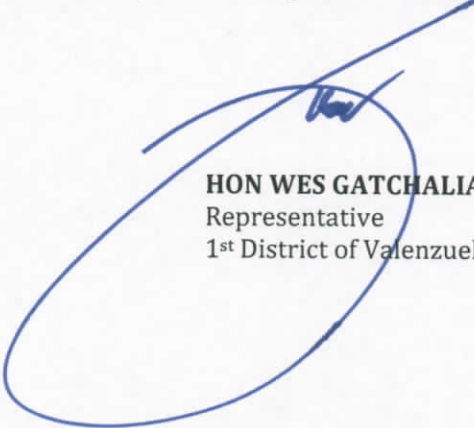

Introduced by Representative **WES GATCHALIAN**

---

#### EXPLANATORY NOTE

This Bill seeks to convert Sto. Rosario Street, traversing from Gerry Angeles Street to Mindanao Avenue Ext. in the Second District, City of Valenzuela, into a national road.

This aforementioned road is highly traversed by motor vehicles from within the city of Valenzuela as well as those from neighbouring cities thereby fostering economic growth not only among the locals but also for these other adjacent communities. Considering therefore its integral function in fostering growth not only internally to Valenzuela City but also beyond its borders, it is submitted in this proposed bill that it would be better served if the management of this road be transferred to the National Government thereby allowing it to be part of the national infrastructure plan. This would also imply that the National Government would be able to more strategically use this road thereby maximizing the benefits and utility which could be derived from it.
