SEVENTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 6005

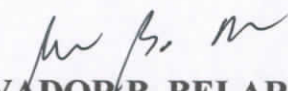

Introduced by: Hon. Salvador B. Belaro Jr.

EXPLANATORY NOTE

This Act seeks to amend the Republic Act 7686 known as the "Dual Training System Act of 1994" that is being implemented by the Technical Education Skills and Development Authority (TESDA).

The said declared it to be the policy of the State to strengthen manpower education and training in the country so that the latter may be assured of an ever-growing supply of an educated and skilled manpower equipped with appropriate skills and desirable work habits and attitudes.

At present, there are only a few Technical Vocational Institution and partner Industries which are implementing the program, because of its limitations, *namely that it provides that trainees can only be assigned in normal training hours* and they cannot render overtime or be assigned in shifting schedules. These resulted to disinterest of disinterest of the companies to become partner in the implementation of the program because it hampers the production specially in manufacturing companies.
