HOUSE BILL NO. **6234**

Introduced by REP. RUWEL PETER S. GONZAGA

EXPLANATORY NOTE

The bill seeks to convert a 43.5 kilometer provincial road stretch which starts at Barangays Binasbas, traversing Mangloy, Imelda, Inacayan, Belmonte, Andap, Melale, Datu Ampunan and Datu Davao in the Municipality of Laak in the Province of Compostela Valley as a national road.

By converting the provincial road traversing the aforementioned barangays into a national road, the national government through the Department of Public Works and Highways will be the one who will take care of the maintenance and repair of the said road. With available resources, the proper and sufficient maintenance of the road becomes less burdensome to the local government concerned resulting in the timely and appropriate preservation of the road's good condition. The safety and stability of this road infrastructure will be enhanced further by the new management whose expertise and knowledge will truly improve this public asset.

Indeed, roads are a major factor in the growth and progress of an area. With sufficiently maintained roads come greater accessibility and more economic activity. Thus, by improving such road more and better opportunities are made available to the people thereby reducing poverty in the locality.

Hence, the passage of this bill is earnestly sought.
