SEVENTEENTH CONGRESS

Second Regular Session

House Bill No. **6313**

Introduced by **HON. ROZZANO RUFINO B. BIAZON**

EXPLANATORY NOTE

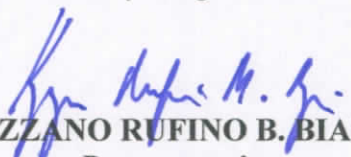

This bill provides for the creation of five (5) additional branches of the Regional Trial Court in the National Capital Judicial Region to be stationed in Muntinlupa City, Metro Manila. For this purpose, it seeks to further amend Batas Pambansa Blg. 129, otherwise known as "The Judiciary Reorganization Act of 1980".

The dispensation of justice requires, among others, that we should have enough courts to try cases. Clogging results when there are not enough courts to try cases. Nowhere is this very apparent than in the City of Muntinlupa. In a letter addressed to this representation, the honorable judges of the Regional Trial Court of Muntinlupa City averred:

"Various measures have been undertaken by the Supreme Court to help the courts unclog its dockets and ensure the expeditious settlement of cases like the establishment of Philippine Mediation Center to mediate and settle cases amicably between parties before going to adversarial proceedings; the settlement of cases by way of Judicial Dispute Resolution; or the implementation of continuous trial of cases. However noble the rationale of these remedies, it is very unfortunate that these remedies did not unburden our courts even to the slightest extent.

At present, RTC Muntinlupa City has seven (7) branches, two (2) of which are special courts – Family and Commercial Courts. As of July 2017, a total of 4,496 cases are pending before our courts. Notwithstanding our collective efforts to hear and decide cases expeditiously, our courts are flooded with drug-related cases as a result of the "war against drugs" initiated by the government, in addition to the regular cases that are filed before us. Our courts have difficulty coping with the heavy load of cases. With the limited number of court employees we have, our courts are overburdened."

In view of the foregoing, the passage of this bill is earnestly sought.
