SEVENTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 6548

Introduced by **Representative Maria Lourdes O. Acosta-Alba**

EXPLANATORY NOTE

With the increasing trend of demands from our people, it is absolute to have a service accessible to them that will ensure safety and comfort in land travel, and compliance to various transportation laws, rules and regulations.

This is the spirit of this legislative measure: to make the availment of services of the Land Transportation Office (LTO) convenient and attainable to the residents of the First District of Bukidnon.

This will help the government to regulate and monitor individuals who might not comply with laws particularly on driving without a license or using unregistered vehicles.

In view of the foregoing, the passage of this bill is earnestly sought.
