

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

SEVENTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 6720

Introduced by
REPRESENTATIVE PANTALEON D. ALVAREZ

EXPLANATORY NOTE

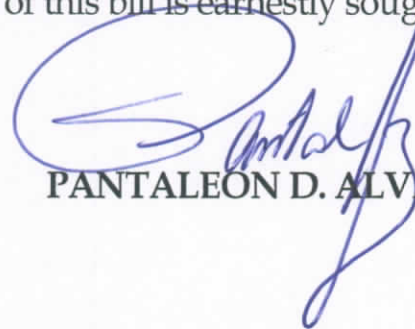

This bill, previously filed by Rep. Alfredo C. Marañon, III, during the Fifteenth Congress, seeks to establish the Philippine Ear Nose and Throat (ENT) Center which will provide comprehensive, high quality, affordable and specialized medical services for the prevention, control and treatment of ear, nose throat, head and neck (ENTHN) disorders.

Section 11, Article XIII of the 1987 Constitution provides, in part, that *"The State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to all the people at affordable cost. There shall be priority for the needs of the underprivileged sick, elderly, disabled, women, and children."*

The incidence of ENTHN diseases in the country has become more prevalent and has affected the quality of life of most Filipinos. Respiratory tract infections which include colds, sinusitis, nasopharyngitis, and laryngitis are among the leading causes of morbidity in the Philippines. Study shows that a ratio of 1-2 per 1000 live births were born with cleft lip or cleft palate and more than a million Filipinos were estimated to have hearing impairment. ENTHN diseases not only affect the productivity and performance of a person but also cause permanent physical disabilities and deformities. Despite the high prevalence rate of ENTHN diseases and their tremendous effect on health, these conditions have not been given enough attention and priority.

The establishment and maintenance of the Philippine ENT Center will focus on the ENT diseases to primarily benefit persons suffering from ENTHN diseases and those who are unable to secure the necessary medical treatment because of the high cost of specialized medical services. The Philippine ENT Center will ensure the accessibility and availability of specialized medical services needed by ENT patients in the country. Also, it will enhance and integrate the research undertakings of the government on these diseases. Further, the Philippine ENT Center will be the venue for the advanced training of medical and technical personnel to render high quality and state of the art medical services for the prevention, control and treatment of ENTHN disorders.

In view of the foregoing, approval of this bill is earnestly sought.

PANTALEON D. ALVAREZ

SEVENTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 6720

Introduced by
REPRESENTATIVE PANTALEON D. ALVAREZ

AN ACT
ESTABLISHING THE PHILIPPINE EAR, NOSE AND THROAT
(ENT) CENTER AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. *Declaration of Policy.* — It is hereby declared the policy of the State to promote and protect the right of the people to health by providing specialized health and medical services that will secure their well-being. Towards this end, the State shall establish an ear, nose and throat (ENT) center that will provide comprehensive, high quality, affordable and specialized medical services for the prevention, control and treatment of ear, nose, throat, head and neck (ENTHN) diseases.

SEC. 2. *Philippine Ear, Nose and Throat (ENT) Center.* — The Philippine Ear, Nose and Throat (ENT) Center, hereinafter referred to as the Philippine ENT Center, is hereby established under the supervision of the Department of Health to intensify and consolidate the efforts and programs of the government in the prevention, diagnosis and treatment of ENTHN diseases and provide comprehensive, high quality, affordable and specialized medical services to citizens afflicted with ENTHN disease.

The Philippine ENT Center shall have the following objectives:

- a) Construct, establish, equip, operate and maintain a medical institution which shall specialize in the prevention, diagnosis and treatment of ENTHN diseases, and provide medical care, rehabilitation and relief of persons suffering from it;
- b) Undertake medical and scientific researches relative to the prevention, diagnosis, treatment of ENTHN diseases and create public awareness on its prevention and control through information dissemination;
- c) Finance, sponsor, hold or participate in congresses, conventions, conferences, seminars, work-shops and training programs on ENTHN diseases, diagnosis and management;
- d) Facilitate and encourage the dissemination and exchange of ideas and information on the prevention, control and treatment of ENTHN diseases;
- e) Encourage and assist in the education and training of physicians, nurses, health officers, social workers and other medical and technical personnel in the practical and scientific conduct and implementation of ENTHN diseases prevention and treatment programs;
- f) Coordinate and consolidate various efforts and activities of the government in delivering more effective medical services to treat and prevent ENTHN diseases; and
- g) Help in the promotion of Philippine medical tourism by offering top quality and world class medical services in treating ENTHN disorders,

SEC. 3. *Scope of Services.* — Consistent with its objectives, the Philippine ENT Center shall provide the following services:

- a) Hospital-based services to ensure the availability of medical facilities and equipment necessary to provide treatment of ENTHN diseases;
- b) Community-based services to develop and implement community--based programs in partnership with local government units, conduct

research and external resource outsourcing to implement community-based diagnosis and treatment of ENTHN diseases;

- c) Education programs to pursue excellence and the highest level of practice in the specialized field of ENTHN diseases and other related fields, conduct post-graduate training and short-term courses for medical doctors and allied medical professionals; and
- d) Program development and research to develop cutting edge research and programs to combat diseases of the ear, nose, throat, head and neck.

SEC. 4. *Board of Trustees.* – The Philippine ENT Center shall be administered by a Board of Trustees, hereinafter referred to as the Board, to be composed of seven (7) members to be appointed by the President of the Philippines upon the recommendation of the Secretary of Health.

The members of the Board shall serve for a period of three (3) years. All members shall serve without compensation other than actual and necessary expenses, in accordance with the existing laws, policies and rules and regulations on the matter, incurred either for attendance in meetings of the Board or upon official business authorized by a resolution of the Board.

SEC. 5. *Powers and Functions.* – The Board shall have the following powers and functions in addition to their general powers of administration:

- a) Formulate and adopt the by-laws, rules and regulations, policies, guidelines and procedures consistent with law and the provisions of this Act to govern the administration and operations of the Philippine ENT Center;
- b) Formulate and develop programs for the prevention, control and treatment of ENTHN diseases and adopt measures which are necessary to carry out the provisions of this Act;
- c) Enter into such agreements and arrangements with other medical institutions, domestic or foreign, as may be necessary in attaining the purposes and objectives of the Philippine ENT Center;

- d) Receive in trust legacies, gifts and donations of real or personal property of all kinds and to administer the same for the benefit of the Philippine ENT Center, in accordance with the directions and instructions of the donor, and in default thereof, in such manner as in its discretion the Board may determine;
- e) Acquire and hold property of whatever nature or description, and to dispose such properties under any mode of encumbrance and conveyance;
- f) Invite foreign ENTHN specialists and similar experts in the various medical fields to train the personnel of the Philippine ENT Center or send personnel to research or medical institutes or universities for advance training or observation or to attend international or regional conventions, conferences, congresses and seminars as the Board may deem necessary to accomplish the purposes and objectives of the Philippine ENT Center; and
- g) Perform all such other acts and things as are or may be necessary for or incidental to the accomplishment of the objectives of the Philippine ENT Center.

SEC. 6. *Organizational Structure and Staffing Pattern.* — The Board shall determine the organizational structure and staffing pattern of the Philippine ENT Center subject to the evaluation by the Civil Service Commission and of the Organization Position Classification and Compensation Bureau of the Department of Budget and Management. The Board may reorganize said structure, modify the staffing pattern and create or abolish divisions, sections or units in the Philippine ENT Center.

SEC. 7. *Appointment by the Board.* — The Board shall have the authority to appoint, promote, transfer, remove, suspend or otherwise discipline the officers and employees of the Philippine ENT Center upon the recommendation of the Executive Director, subject to civil service laws, rules and regulations.
