HOUSE BILL NO. 6877

Introduced by Rep. Mohamad Khalid Q. Dimaporo

EXPLANATORY NOTE

This bill seeks to provide for the construction of a national highway from Sitio Dumaguing, Brgy. East Poblacion to Sitio Dilimbayan, in the Municipality of Balo-I, to be known as the Balo-I Bypass Road.

Traffic congestion in the Municipality of Balo-I has been a long-time problem in the Province of Lanao del Norte, especially since it is situated between Iligan City and Marawi City in the Province of Lanao del Sur.

The proposed road construction will provide an alternative to road users as they will no longer pass by the town proper of Balo-I, thereby cutting travel time from Iligan City to Marawi City as well as ease traffic congestion in the poblacion and commercial district.

Furthermore, the proposed highway will also facilitate the movement of government troops and emergency response teams in times of emergencies.

In view of the foregoing premises, the prompt approval of this measure is earnestly sought and recommended.
