

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
Second Regular Session

House Bill No. **6897**

Introduced by **MAGDALO Party List Representative**
Hon. Gary C. Alejano

EXPLANATORY NOTE

The Philippine Drug Enforcement Agency (PDEA) was created pursuant to Republic Act No. 9165, otherwise known as "The Comprehensive Dangerous Drugs Act of 2002" to be responsible for the efficient and effective law enforcement of all the provisions on any dangerous drugs and/or controlled precursors and essential chemicals.

PDEA, as the lead agency in the government's anti-drug campaign, exposes its personnel to hazardous situation during and after the conduct of anti-drug operations, and to toxic and carcinogenic chemicals used in manufacturing illegal drugs which can cause life-threatening illnesses. It is therefore apparent that the personnel of PDEA endure varied exposure to hazard.

Personnel of other government agencies performing similar hazardous duty such as the PNP, NBI, and DOH were granted hazard pay due to the nature of their duties, responsibilities, actual services, and location of work which expose them to great danger, occupational risk, perils to life and physical hardships. It is therefore only appropriate that the government grant PDEA personnel who are directly involved in the conduct of anti-drug operations or assigned in hazardous workplaces similar incentive.

This proposed measure therefore provides eligible PDEA personnel hazard pay in the amount of P2,000 monthly. The job inherent to PDEA is risky. It can be deduced, that by the very nature of the Agency's work, there exists a clear and present danger to the personnel's life and limb. It is therefore appropriate for us to provide them the necessary support they need for them to effectively fulfill their mandate.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
