SEVENTEENTH CONGRESS
Second Regular Session

House Bill No. 7079

Introduced by **MAGDALO Party-List Representative**
HON. GARY C. ALEJANO

EXPLANATORY NOTE

We see and hear in the media everyday damages to lives and properties caused by vehicular accidents and mishaps, accidents that may have been prevented if the person behind the wheel had enough discipline and courtesy while driving. Sadly however, most of the drivers who have the privilege to drive display a lack of discipline to handle the wheel as evidenced by traffic altercations and everyday traffic jams.

Proper driving courtesy and discipline may be acquired if one enrolls in formal driving schools. However, enrolling in a driving school to most drivers is not an option because it proves to be costly, thus they learn how to drive from friends and relatives who themselves were not properly educated in formal driving schools.

This bill seeks to introduce a Driver Education Program in the curriculum of senior high schools in both public and private to instill into the minds of the students as early, and as young as possible, the proper knowledge and values in driving.

In view of the foregoing, immediate approval of this measure is earnestly sought.
