HOUSE BILL No. **7123**

Introduced by HON. MANUEL F. ZUBIRI

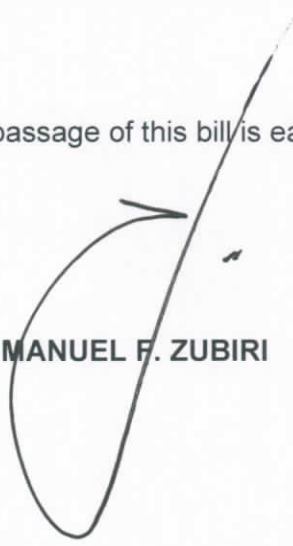

EXPLANATORY NOTE

Pursuant to my vision of giving all my constituents the basic necessities and services the government should be offering every Filipino in the 21st Century, I am filing a bill creating a Regional Trial Court in the Municipality of Quezon. Access to the courts in Bukidnon has been admittedly difficult given our population and the number of courts available in the district. Through this bill, I am hoping my constituents can have easier access to the courts in the pursuit of justice.

The philosopher Aristotle encapsulates best the reason why we should increase access to justice: "At his best, man is the noblest of animals. Separated from law and justice, he is the worst".

In lieu of the abovementioned, the passage of this bill is earnestly sought.
