House Bill No. **7160**

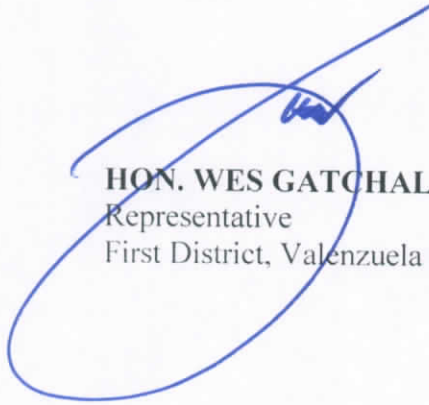

Introduced by **Representative Wes Gatchalian**

EXPLANATORY NOTE

This bill seeks separate the the Santos Encarnacion Elementary School in Dalandanan, Valenzuela City from the Sto. Rosario Elementary School in Maysan Valenzuela City.

The land on which the Santos Encarnacion Elementary School is built on was the former site of the Valenzuela Science High School. However upon the inauguration of the Valenzuela Math and Science High School, this property was abandoned. It is in this context that this facility was then utilized as an extension site of the Sto Rosario Elementary School in order to solve its problem of congestion. This extension initiative is now what came to be known as the Santos Encarnacion Elementary School.

The purpose of this bill is to remove Santos Encarnacion Elementary School from the administration of Sto. Rosario Elementary School in order to allow it to develop better. This would also solve the incongruence of Sto. Rosario being within the second legislative district of Valenzuela City while the site of Santos Encarnacion being in the first district of Valenzuela City.
