HOUSE BILL NO. 7317

Introduced by HON. ROGELIO NEIL P. ROQUE

EXPLANATORY NOTE

This bill seeks the conversion of Sitio Buco located in Barangay Banlag in the City of Valencia into a separate and distinct barangay.

Sitio Buco has more than three thousand (3,000) residents. Given the size of the population, the conversion thereof would result to a more efficient, effective and economical governance. Further, the affected residents will be afforded an even delivery of basic services.

Furthermore, the people of Sitio Buco have been clamoring for such conversion. Realizing that a regular Internal Revenue Allotment for their community would result to a more progressive development, they have brought their concern before this representation. For this reason, appreciating that that a barangay is the basic political unit and appreciating further their desire to act as such, we believe that such conversion is timely and necessary.

Considering the requisites of population and territorial jurisdiction, the conversion of Sitio Buco located in Barangay Banlag in the City of Valencia into a separate and distinct barangay is in order, pursuant to Republic Act No. 7160, otherwise known as "The Local Government Code of 1991" and its Implementing Rules and Regulations.

In view thereof, the passage of this bill is earnestly urged.
