SEVENTEENTH CONGRESS
Second Regular Session

House Bill No. **7360**

Introduced by Representative **John Marvin "Yul Servo" Nieto**

EXPLANATORY NOTE

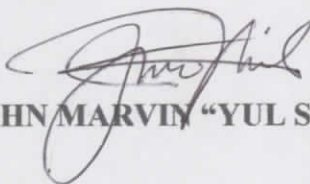

As a manifestation of support to this timely piece of legislation, this representation respectfully refiles this bill, which has constantly been receiving support from the past and present congress.

The proposed measure aims to redefine the term "indigent senior citizen" under Republic Act No. 9994 or the Expanded Senior Citizens Act of 2010. RA 9994 provides for a vast number of benefits, privileges, and assistance to senior citizens. Despite being a landmark legislation for the welfare of our elderly, the definition of the term "indigent senior citizen" under RA 9994 has limited the said legislation from fully achieving its purpose.

An "indigent senior citizen" is defined under RA 9994 as any elderly who is frail, sickly or with disability, and without pension or permanent source of income, compensation or financial assistance from his/ her relatives to support his/ her basic needs, as determined by the Department of Social Welfare and Development (DSWD) in consultation with the National Coordinating and Monitoring Board. It is quite clear that the aforementioned definition excludes senior citizens who are not sick or disabled and who have pension or other sources of income but are in dire need of additional government assistance.

It is high time that we introduce a more inclusive definition under RA 9994 to ensure our beloved senior citizens that they have ready access to financial assistance and health services.

In view of the foregoing, the passage of this measure is earnestly sought.
