19 **EXPLANATORY NOTE**
20

21 The Veterans Federation of the Philippines (VFP) was chartered under
22 Republic Act No. 2640 as a public corporation under the control and
23 supervision of the Secretary of the Department of National Defense (DND).
24

25 Acknowledging that the second paragraph of Section 2 of RA 2640,
26 prescribes that all action or decision of the Federation or Supreme Council
27 shall be subject to the approval of the Secretary of National Defense, the spirit
28 of this provision at creation has already been overtaken by events. Where
29 before members associations were constantly at odds with one another, the
30 Federation has since then unified into a harmonious group and all efforts are
31 now towards providing more benefits to its members.
32

33 Unlike other organizations designated by law as public corporations – such as
34 the Boy Scouts of the Philippines, the Girl Scouts of the Philippines and the
35 Knights of Rizal – the VFP operates without autonomy. The law provides that
36 any action or decision of the Federation is subject to the approval of the
37 Secretary of the Department of National Defense.
38

39 This Bill seeks to relieve the Secretary of the National Defense of the
40 responsibility of managing the Federation of voluntary members so that the
41 Secretary can concentrate on his primary governmental function of ensuring
42 the defense of the country against external and internal threats to national
43 security and the efficient operation of the government agencies assigned or
44 attached to the Department. Passage of the Bill will empower the VFP to act
45 as an independent people's organization. This will further ensure that the VFP

1 can undertake what it deems as needed policy research, advocacy and other
2 activities without fear or favor, and answerable only to the public it server. It
3 will encourage an organization which is truly run by, directed by and
4 organized solely and purely for the Veterans sector.

5
6 The passage of this Bill will finally clarify the working relationship between the
7 Department of National Defense and Veterans Federation of the Philippines.

8
9 This Bill seeks to modify certain provisions of the original law to conform to
10 the current situation and prevailing conditions and enable the Federation to
11 metamorphose autonomously to better governance practices.

12
13 In view of the foregoing, the passage of this Bill is earnestly sought.
