HOUSE BILL NO. 7441

Introduced by: **"KUYA" JOSE ANTONIO R. SY-ALVARADO**

EXPLANATORY NOTE

Under Art. XIV Sec. 1 of the 1987 Constitution, the law mandates the State to protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Furthermore, Section 2 Par. 3 states that it shall encourage non-formal, informal, and indigenous learning systems, as well as self-learning, independent, and out-of-school study programs particularly those that respond to community needs.

The right to basic education shall also be enjoyed by our fellow brothers and sisters from indigenous communities throughout the entire Philippines. This will help them improve their lives and adapt to the changing needs of time.

This bill seeks to educate basic education to the indigenous sectors to acknowledge and develop their valuable contribution to our society and culture.

Hence, this proposal is submitted for consideration.
