SEVENTEENTH CONGRESS
Second Regular Session

House Bill No. 7671

Introduced by **MAGDALO Party-List Representative**
HON. GARY C. ALEJANO

EXPLANATORY NOTE

Section 12 (2), Chapter 3, Subtitle A, Title I, Book V of the Revised Administration Code of 1987 states that among the powers and functions of the Civil Service Commission, the Commission shall prescribe, amend, and enforce rules and regulations for carrying into effect the provisions of the Civil Service Law and other pertinent laws.

One of the major functions of the Commission is the granting of civil service eligibility under special laws upon meeting the qualifications and fulfilling of documentary requirements without taking the regular civil service examinations.

By virtue of Republic Act No. 1080, the bar examinations and the examinations given by the various boards of examiners of the Government are declared as civil service examinations. Hence, those who passed these examinations may be appointed into the civil service without the necessity of passing the civil service examinations, except those positions requiring highly specialized knowledge not covered by the ordinary board examinations.

This bill seeks to grant holders of doctorate degrees, in recognition of their educational competence and fitness, for appointment or promotion to executive positions in the civil service by reason of their having completed post graduate studies. It aims to provide the same privilege given to those who passed the bar or board examinations to holders of doctorate degrees which is equivalent to, if not more than the bar or board examinations.

In view of the foregoing, early passage of this bill is earnestly sought.
