

Seventeenth Congress
Second Regular Session

HOUSE BILL NO. **7725**

Introduced by Representative Peter John D. Calderon

EXPLANATORY NOTE

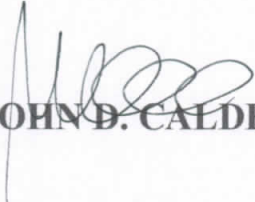

This bill seeks to separate the Badian National High School –Tubod National High School Extension in Barangay Tubod, Municipality of Badian, Province of Cebu from Badian National High School to be known as the Tubod (Badian) National High School.

The Badian National High School – Tubod National High School Extension has been operational since 1996 and has produced its first graduates in 1999. Although it is located in the mountainous part of Badian, it has attained the second largest number of student population in Badian as of school year 2017-2018.

For the school year 2014-2015, the school started to offer Grade 11 specializing in Technical-Vocational-Livelihood (TVL) Track – Home Economics (HE) and Information and Communications Technology (ICT) strand. Thus, the Tubod National High School Extension became an integrated Senior High School which will have pioneer graduates of the K to 12 Program for the school year 2018-2019.

Through the years, the school has been catering to the educational needs of the students of that part of Badian by providing them with teachers who can facilitate the best learning process. By separating the Badian National High School – Tubod National High School Extension in Barangay Tubod and converting it into an independent national high school, it will have a separate funding for new classrooms and other services thereby. Thus, enabling it to effectively and efficiently perform its role in the community and in nation-building.

In view of the foregoing, early approval of this bill is earnestly sought.
