

As a non-implementing unit secondary school, it has a separate appropriation in the General Appropriations Act. Republic Act (RA) No. 10964, otherwise known as the “*General Appropriations Act for Fiscal Year 2018*,” provides funding for the operation of the Badian National High School-Alcantara National High School Extension.

Converting the Badian National High School-Alcantara National High School Extension into an independent high school will address the growing problem on the increasing number of the student populace from nine (9) barangays of the Municipality of Alcantara and its neighboring municipalities. This proposed measure will provide the residents of Alcantara and the nearby municipalities with an inexpensive, practical and sustainable means to quality basic education.

In view of the foregoing, immediate passage of the bill is earnestly sought.
