House Bill No. 7951

Introduced by HON. ERIC L. OLIVAREZ

EXPLANATORY NOTE

This Bill earnestly seek for the creation of additional two (2) Metropolitan Trial Courts in the City of Parañaque in view of the volume of cases now pending therein and the growing population emerging in the City, hence, the demand to add the existing branch to address the expeditious resolution of cases and rendition of justice.

Like the neighboring cities of Parañaque here in Metro Manila, the perennial problem of voluminous cases pending in the various branches of the Regional Trial Courts are proverbial daily realities not only among litigants but also to the lawyers alike, judges are put to blame simple because they failed to resolve the cases on time or at least within the reasonable period possible. But taking a considerable prognosis on this reality, we cannot abdicate the fact that our courts, particularly in the Metropolitan Trial Court of Parañaque City, are indeed overladen by cases and the solution to this primarily is no other than to create additional branches of Metropolitan Trial Courts, to diversely declogged the courts and judges, and eventually focus on the early resolution of cases in order to provide the constitutional guarantee of dispensing speedy disposition of cases before judicial bodies.
